## Interested in Volunteering?

As an organization run solely by volunteers, Bird Protection Quebec depends on its supporters to pitch in. We would be very happy to add your name to our list of dedicated volunteers!

It takes many different committees and working groups to keep BPQ running smoothly, and to further our mission towards Education, Conservation and Observation. There are many different ways in which you can actively help us realize our many important goals.

You may choose to join one of our permanent committees:

**Conservation**

Conservation  
 Grants (Research, Education, etc.)  
 Property Acquisitions  
 Sanctuaries

**Outreach**

Education  
 Monthly Meetings/Lectures  
 Field Trips  
 Communications  
 Publicity and Marketing

**Administration**

Finance  
 Membership Services  
 Nominations/Elections  
 Archives

Always on the look-out for fresh blood and new ideas, you would be welcomed by any of them! The time commitment varies from committee to committee, and would depend on how involved you choose to become.

Or, if you prefer to help out on an ad hoc basis, we often need one-off help with specific projects (example: trail clearing) or for specific tasks that require specialized skills (example: assistance with legal or financial matters, organizing events, etc.)

Please let us know where your interests lie:

I would be interested in joining a committee involved in _____ ; or, wherever volunteers are most needed (You will be contacted by the committee chairperson.)	
I would be interested in helping in the following areas on an occasional basis. (You will be contacted as needs arise.)
